

Acalanes Parents Club Grants Information

The goal of APC grants is to enhance and enrich the educational experience of AHS students in new and innovative ways.

Submissions

- Must be submitted during the formal submission period for both fall (late August - mid-late September) and spring (late January - mid-late February) grants. No late applications will be considered.
- Individual requests may not exceed \$5,000.
- Submissions may be made by any person affiliated with Acalanes High School including administrators, teachers, staff, parents and students.

Guidelines

- Grants will ultimately be approved by the Acalanes principal so they are consistent with the goals of the school.
- Submissions should reach as many students as possible.
- Grant requests should not compete with funding goals of community partner Lafayette Partners in Education (LPIE).
- Proposals should not be for recurring activities.
- Submissions from student clubs run by ASB will not be considered as there is a separate grant program run by ASB Leadership.

Funding of Selected Grants

- Fall grants should be utilized/funded by March 15 of the spring semester and spring grants should be utilized/funded by September 15 of the following semester.
- Reimbursements should be forwarded to the APC Treasurer or APC Grants Coordinator.

Questions

- Contact APC Grants Coordinator for questions or more information at grants@acalaneparentsclub.com.

Acalanes Parent Club

AHS FALL 2022 Grant Application

Deadline: September 16, 2022

Acalanes Parents Club is looking to award grants that will enhance and enrich the educational experience of AHS students in new and innovative ways. Teachers, staff and students are encouraged to submit ideas for meaningful programs and educational equipment. **Applications are due by Friday, September 16, 2022.** A committee consisting of APC leadership, AHS administration and an LPIE representative will review the grant applications. Grant recipients will be selected and notified by October 2nd. Grant requests can range from \$500 (or less) to \$5,000. Our goal is to fund as many projects school-wide as possible with the \$10,000 budget.
